International applications for the two-year Master's programme in
Leadership for Sustainable Development, specialisation in Business Studies (120 credits)

Applicant's name: _____

Additional document for applicants to the two-year Master's programme in Leadership for Sustainable Development, specialisation in Business Studies (120 credits)

Applicants to the specialisation in Business Studies must complete and submit this additional document, as well as their supporting documents (e.g., degree certificate, English language qualification, etc. – see universityadmissions.se for more information). This document will be used to rank applications.

Submission

Please add your full name in the page header and save the file, naming it as follows:

*Supporting_document_LeadSustain_*insert your first and last name here*.* (e.g. if someone called Kim Smith does this, the file name would be: "Supporting_document_LeadSustain_Kim_Smith.pdf").

Ensure it is saved as a PDF file.

Apply and submit your supporting and additional documents by the deadlines specified on universityadmissions.se, either via universityadmissions.se or by posting the documents to:

International applications for the two-year Master's programme in
Leadership for Sustainable Development, specialisation in Business Studies (120 credits)

Applicant's name: _____

Additional document, part 1: motivation letter (max. 3750 characters with space)

Write a motivation letter that describes your aims and hopes regarding the programme. Discuss them in relation to (i) programme content, (ii) your ideas about sustainable development, leadership, and management, (iii) your intended career, and (iv) write a description of your experience of leadership and organisation linked to sustainability and sustainable development. Your experience should make you a suitable candidate for the master's programme and the specialisation in Business Studies; it could have been acquired through your employment, non-profit work, education or otherwise. You must describe how this experience relates to the programme's objectives and some of the courses included in it.

We welcome a certificate or letter that describes and supports your leadership skills and work experience. Please save it as a PDF file, naming it as follows: *Certificate_Letter_LeadSustain_insert your first and last name here*. (e.g. if someone called Kim Smith does this, the file name would be: "Certificate_letter_LeadSustain_Kim_Smith.pdf").

Leadership for Sustainable Development, specialisation in Business Studies (120 credits)

Applicant's name: _____

Additional document, part 2: summary of degree essay (max. 2350 characters with spaces)

Write a description of the independent degree project/essay you produced as part of your Bachelor's degree. It should present the problem area, the theoretical approach, results, and relevance to the Master's programme.

Please include the following, if necessary:

1. An official university document to confirm your authorship, unless the title of your independent project is on your degree certificate. The project should also be available digitally (please provide a link).
2. A certificate from your supervisor outlining the work that remains to be done, if your degree project has not been completed and graded at the time of application.

Write your description here (max. 2350 characters with spaces)
