

# Welcome to Södertörn University!

Important information for the start of the semester and during your studies:

## 1. [sh.se/incomingstudents](https://sh.se/incomingstudents)

This page has information that is helpful for new students, such as how you register, FAQs and information about living in Sweden.

## 2. [sh.se/studyweb](https://sh.se/studyweb)

SH-StudyWeb is the university's learning management system and is used for all courses and programmes. It has your courseroom, your timetable, syllabus and reading list. You must activate your SH-Account to be able to log in.

## 3. [sh.se/studentenglish](https://sh.se/studentenglish)

This page has many shortcuts that will be useful during your studies, as well as general information and news from the university.

### If you have questions about ...

### you can get help from ...

### Getting around!

When it says that a lecture or seminar is in room **MA 648**, you should be in the Moa Building (M), block A, level 6 and room MA 648. All room numbers are constructed in the same way. For example Moas Båge Building (M), F Building (F) University Library (UB), Primus (P), Logos (LO) and Praxis.
